Assistant City Administrator

St. Clair MO 63077

MEC No. 14E260

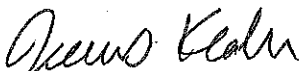

Dear Mr. Dierker:

The Missouri Ethics Commission considered the complaint filed against you at its December 12, 2014 meeting. The complaint alleges that you, while serving as Assistant City Administrator, are making agendas and influencing the city council within one year since your resignation as alderman. The complaint alleges this conduct violates the conflict of interest provisions. (See Section 105.454(5), RSMo).

The Commission finds no reasonable grounds exist to support a violation of Chapter 105, RSMo, and is dismissing the complaint. You were elected St. Clair alderman in 2010 and re-elected in 2012. In fall of 2013, while still serving as an alderman, you applied for the position of Assistant City Administrator and hired for the position in January 2014.

Staff interviews and documentation, including review of council meeting minutes, reflect you have not taken actions in violation of Section 105.454(5), RSMo.

Sincerely,

James Klahr
Executive Director
